"PARENTING WITH SENSE AND SENSIBILITY"

August 13-19, 2008

Joy's Shopping Tips

Belly Rock: For expectant moms who love to dress with an eye towards a rocker look, [MamaSan Maternity Apparel](http://www.mamasanmaternity.com) is perfect. The line is divided into three categories: tops, dresses, and skirts. The **appliqués of skulls and crossbones** are what give the clothing its gothic look. Prices start at \$35; www.mamasanmaternity.com.

***Joy Sherwood** is the Style Director of New York Family. She can be reached at jsherwood@manhattanmedia.com.
